

Karibu [Welcome] to Safari Resort Beekse Bergen!

The papers you are holding in your hands right now are part of the activity book of the Rangers! On these pages, the Rangers keep track of the fun activities they organize at the Safari Resort this week.

Do you already have a Ranger Guide? Show your completed Ranger Guide to the Rangers and receive your own Ranger badge! There is also a special ceremony on Sunday! Don't you have a Ranger Guide yet? You can get one from the Guest Service or the Rangers!

The Rangers are at the Ranger Basecamp, located in KaribuTown. Prior to activities we gather at the Ranger Basecamp, unless stated otherwise in this activity book.

Sunset Safari

While the other visitors have already left the Safari Park and the animals are preparing for a warm African evening, you imagine yourself with your family on the Zambezi River in Africa. From the Safari boat 'Livingstone' you will be face to face with zebras, wildebeests, ring-tailed lemurs, water-borne animals, camels, and with a bit of luck even a sea lion will swim with the boat. Obviously, a ranger tells all kinds of fun facts about the animals along the way. And who knows, he might even spot a kingfisher! On board we serve a delicious cocktail from a coconut. (for the children without alcohol of course) and a portion of nachos. Naturally, the RIVM guidelines also apply to the safari boat. As a result, there is room for 16 households of up to 5 people per trip. There is no toilet on board. From 20 applications, the 'livingstone' throws its trusses loose.
