

BEEKSE BERGEN

Karibu (welcome) to Holiday Park Beekse Bergen!

The papers you are holding in your hands right now are part of the activity book of the Rangers! On these pages, the Rangers keep track of the fun activities they organize at Holiday Park Beekse Bergen.

This week is **Weird is Fun** week. This week wizzards Tim & Tina are visiting us at the Holiday Park. They are here to complete there wizzard school, but it goes not the way it was planned, can you help them?

The Rangers are at the theater outside, unless otherwise stated in this logbook. The theater is located at the front of the Africa Club. Crafting always takes place in the Djambo Club, which is located in the Africa Club on the right along the water side.

If you have a question about the program or something else, you can always ask one of the Rangers. After all it is their logbook!

With elephant regards, Djambo and the Rangers!

Sunset Safari

While the other visitors have already left the Safari Park and the animals are preparing for a warm African evening, you imagine yourself with your family on the Zambezi River in Africa. From the Safari boat 'Livingstone' you will be face to face with zebras, wildebeests, ring-tailed lemurs, water-borne animals, camels, and with a bit of luck even a sea lion will swim with the boat. Obviously, a ranger tells all kinds of fun facts about the animals along the way. And who knows, he might even spot a kingfisher! On board we serve a delicious cocktail from a coconut. (for the children without alcohol of course) and a portion of nachos. Naturally, the RIVM guidelines also apply to the safari boat. As a result, there is room for 16 households of up to 5 people per trip. There is no toilet on board. From 20 applications, the 'livingstone' throws its trusses loose.
