

BEEKSE BERGEN

Karibu (welcome) to Holiday Park Beekse Bergen!

The papers that you currently have in your hands are not just papers, these papers are part of the logbook of the Rangers! In this logbook, and specifically on these pages, they keep track of the fun activities they organize at Holiday park Beekse Bergen. With some help from Djambo and of course from you, they always have a lot of fun.

The Rangers are located in the Djambo Club unless otherwise noticed in the logbook. The Djambo Club can be found in the Africa Club, at the water side. You can walk to the Africa Club clockwise or through the central hall and then turn right.

With elephant regards, Djambo and the Rangers!
